EDUCATION

Bachelor of Computer Science - First Class Honours

July 2026

City, St George's, University of London, London, UK

Relevant Coursework: Advanced Databases, Mathematics for Computing, Data Structures and Algorithms

EXPERIENCE

Supermarket Assistant

November 2022 - March 2026

Waitrose, London, UK

- Analyzed 100+ product lines to identify restock patterns, supporting approximately 10% reduction in stockouts across a 15-person team during high-volume periods.
- Served customers daily in a fast-paced environment, building relationships and earning repeat business.

PROJECTS

Data Visualisation Virtual Experience

July 2026

Tata Consultancy Services (Forage)

- Cleaned and prepared 540K+ retail transactions in Excel. Built 4 dashboards in Power BI identifying a 3x revenue peak and customers contributing 5%+ of total revenue, presenting recommendations to management.

Data Analytics Virtual Experience

June 2026

Deloitte (Forage)

- Designed an interactive Tableau dashboard to analyse defect rates across 15+ factory sites, enabling targeted maintenance prioritisation, and cleaned raw data in Excel using structured classification methods to improve data quality.

SQL Data Cleaning & Exploratory Analysis

June 2026

- Cleaned and standardised 1,000+ records, identifying duplicates, inconsistencies and data-quality issues. Used CTEs and window functions to analyse trends and calculate rolling totals for data-driven insights.

Python Stock Trading News Alert

March 2026

- Integrated Alpha Vantage and NewsAPI into Python to track 2 stock movements and send automated alerts within seconds of price changes. Processed and filtered data points and detected significant price movements.

SKILLS

- Programming: Python, SQL, APIs
- Data Visualisation & BI: Power BI, Tableau, Excel (PivotTables, Power Query, XLOOKUP)
- Databases: MySQL, CTEs, window functions, data cleaning, exploratory analysis

LEADERSHIP & ACTIVITIES

Carnatic Music Vocalist and Violinist

September 2012 - Present

- Performed classical music in ensembles for 14+ years, developing confidence, discipline, teamwork and the ability to perform under pressure.

Volunteer

March 2018 - February 2020

Local Charity

- Sorted donations, created window displays and assisted customers weekly, building organisation, attention to detail, and communication skills.
